## BUSINESS MEDIUM

MRS. MARTH, the world renowned and highly celebrated business and test MEDIUM reveals everything. No impo-sition. Can be consulted upon all af-fairs of Life, Business, Love and Marriage a specialty. Every mystery revealed, also, of absent, deceased and living friends. Removes all troubles vealed, also, of sabsent, deceased and living friends. Removes all troubles and estrangements, challenges any Medium who can exceed her in her startling revelations of the past, present and future events of one's life. Remember, she will not for any price flatter you; you may rest assured you will gain facts without nonsense. She can be consulted upon all affairs of Life, Love, Courtship, Marriage, Friends etc., with description of future companion. She is very accurate in describing missing friends, enemies etc. Her advice upon sickness, change of business, lawauits, journeys, contested wills, divorce and speculation is valuable and reliable. She reads your destiny—good or bad; she withholds nothing.

MRS. MARTH tells your entire life—past, present and future—in a DEAD TRANCE, has the power of any two Mediums you ever met. In tests she tells your mother's full name before marriage, the names of all your family, their ages and description, the name and business of your present husband, the name of the next, if you are to have one, the name of the voung man who now calls on you, the name of your future husband, and the day, month and year of your marriage, how many children you have or will have; whether you a married or single; whether your present sweetheart will be true to you

dren you have or will have; whether you a. : married or single; whether your present sweetheart will be true to you and if he will marry you; if you have no sweetheart, she will tell you when you will have, and his name, business and date of acquaintance. ALL YOUR FUTURE will be told in an honest, clear and plain manner and in a dead trance. Mothers should know the success of their husbands and children young ladies should know everything cess of their husbands and children, young ladies should know everything about their sweethearts or intended husband. Do not keep company, marry or go into business until you know all, do not let silly religious scruples prevent your consulting.

Madame is the only one in the world who can tell you the FULL NAME of your future husband, with age and date of marriage, and tells whether the one you love is true or false.

There are some persons who believe that there is no truth to be gained from consulting a Medium, but such beliefs are contrary to the truth. It is only from the lack of discrimination that such a conclusion can be reached.

It is not every one who placards him-

It is not every one who placards him-self or herself as a medium that can stand a test of what he or she claims. And a person of an enquiring mind may ask the reason why. It is simply that these advisers do not take the trouble to study human nature. They do not spend their thoughts for a mo-ment with acquiring the art of phrand.

do not spend their thoughts for a mo-ment with acquiring the art of phrenol-ogy and kindred branches that will have a tendeucy to make the pathway to the road of the business clear and devoid of all obstacles.

It is an undeniable fact that persons will come for advice—in full knowledge of what they want to know, and yet as soon as they confront a Medium they try their utmost endeaver to dispel from their minds what they know so to hear if it will be rehearsed by the Medium. To get the secret out of person by 'pumping' in no few case is the art used by many unprincipled mediums, but to take hold of the hand and gain control of the mind thereby is a matter of impossibility to most of

and gain control of the mind thereby is a matter of impossibility to most of them. And yet this can be done and by consulting MRS. MARTH this seeming mystery becomes a realization.

This subject has received no little attention by eminent men and even college professors. So it proves conclusively that although there are infringers in our midst with "oily tongues," perhaps the gates of wisdom have not been closed to the ensire profession.

the gates of wisdom have not been closed to the entire profession.

It takes a great deal of study to become an accomplished medium and by a continuous and untiring effort, the key to the well of apparently unfathomable mysteries has been procured by MRS. MARTH for the benefit of humanity
